## II. GOOD CAUSE SHOWN

Pursuant to LCR 16(b)(6), a scheduling order may be modified “only for good cause and with the judge’s consent.” Good cause exists here because the parties have agreed to enter into mediation of this matter on July 14, 2021. For purposes of judicial economy, the parties propose that the deadlines for filing motions related to discovery and for discovery to be completed be rescheduled until after the mediation date. No previous extensions of time have been requested or granted by the Court in this matter, and this extension is not made for purposes of delay, but rather to permit the parties additional time in an attempt to resolve this matter amicably without incurring substantial further costs or requiring additional time and resources on behalf of the Court. The parties respectfully request that the Court extend the currently scheduled deadlines as set forth above. A proposed order is included herewith.
